# ADVANTAGES OF EJCET 2026

## **Up to 100% Tuition Fee Waiver:**

Meritorious students can study completely free of cost (tuition fee) in top private colleges based on their EJCET Rank.

## **Exam from Home (Safety & Comfort):**

No need to travel to exam centers. You can take the EJCET exam from the safety and comfort of your home using a Smartphone or Laptop.

## **Single Application, Multiple Choices:**

Don't spend thousands on separate forms for Nursing, Pharmacy, or Management colleges. One EJCET score is valid for 50+ participating institutes.

## **Financial Relief for Parents:**

We understand the burden of high fees. EJCET scholarship significantly reduces the financial load on middle-class families.

## **Assured Admission Support:**

Even if you don't top the exam, just qualifying EJCET gives you access to our expert counseling team to find the best college within your budget.

# ABOUT US

**About Education Ji :-** Education Ji is a premier educational platform dedicated to guiding students from Bihar, Jharkhand, and West Bengal towards their dream careers. We bridge the gap between talented students and top-tier private institutions.

## **What is EJCET?**

The Education Ji Common Entrance & Scholarship Test (EJCET) is a state-level entrance exam. It provides a single-window opportunity for students to secure admissions in Nursing, Pharmacy, Paramedical, Management, and IT courses with up to 100% Tuition Fee Scholarship.

## **Vision & Mission**

- Vision: To ensure that no meritorious student is denied professional education due to financial constraints.
- Mission: To provide a transparent, fair, and merit-based scholarship system.

# IMPORTANT DATES

Event	Date
Online Application Starts	10th Jan 2026
Slot Booking for Online Exam	10th Dec 2025– 9th Jan 2026
Mock Test (Practice)	11th Dec to 9th Jan 2026
Date of EJCET Exam	12th, 13th & 14th Jan 2026
Result Declaration	15th Jan 2026
Counselling Schedule	16th Jan –17th Jan
Allotment Date	18th January 2026
Reporting to College	19th to 25th Jan 2026

# PROFESSIONAL COURSES

## Category A: Medical & Allied Health Sciences

- B.Sc Nursing (4 Years): 10+2 with PCB (45%), Age 17+.
- GNM (3 Years): 10+2 (Any Stream), Bio preferred.
- B.Pharma (4 Years): 10+2 with PCM/PCB (50%).
- D.Pharma (2 Years): 10+2 with PCM/PCB.
- BMLT / BPT / BOT: 10+2 Science (PCB).

## Category B: Professional Courses

- BBA / BCA: 10+2 (Any Stream), Min 45% marks.
- MBA / MCA: Graduation in relevant field.
- Hospital Management: 10+2 (Any Stream).

# EXAM PATTERN

**Mode:** Remote Proctored Online Test (RPOT).

**Device:** Can be taken on Android Mobile Phone or Laptop/Desktop with Camera.

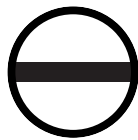

**Duration:** 60 Minutes.

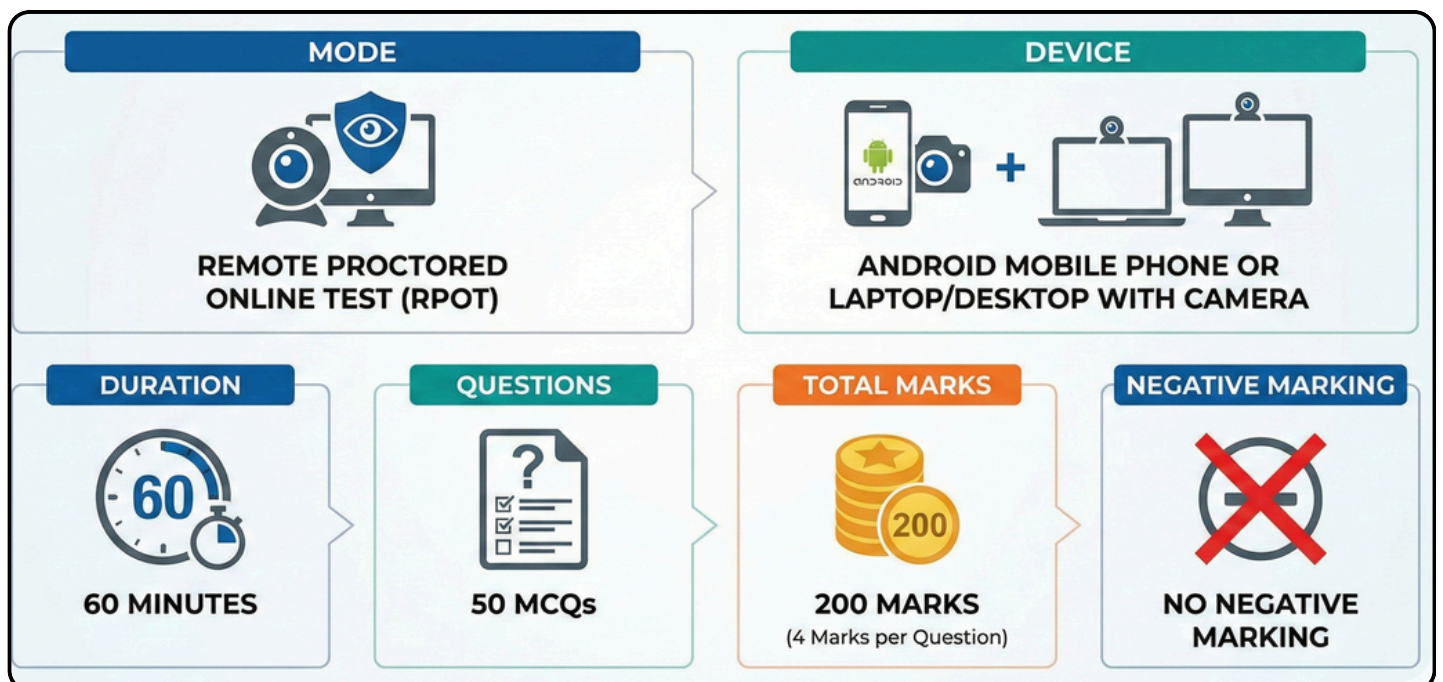

**Questions:** 50 MCQs.

**Total Marks:** 200 Marks (4 Marks per Question).

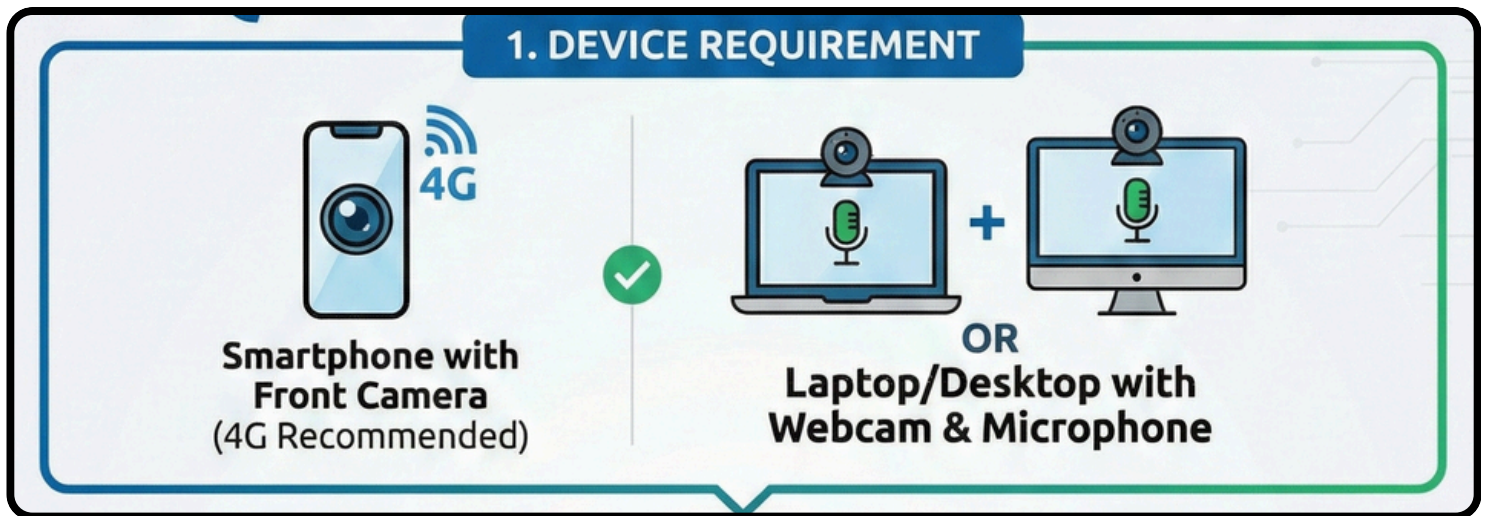

**Negative Marking:** No Negative Marking.

# GUIDELINES FOR HOME-BASED EXAM

## Device Requirement:

- A Smartphone with a working Front Camera (4G Internet recommended).
- OR A Laptop/Desktop with Webcam and Microphone.

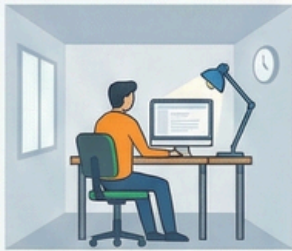

## Environment:

- The student must sit in a quiet room alone.
- No other person should be present in the room during the exam duration.
- Proper lighting should be there on the student's face.

# GUIDELINES FOR HOME-BASED EXAM

## 2. ENVIRONMENT

-  **SIT IN A QUIET ROOM PRESENT**
-  **NO OTHER PERSON PRESENT**
-  **PROPER LIGHTING ON FACE**

## Anti-Cheating Mechanism (AI Proctoring)

- The exam is monitored by Artificial Intelligence.
- Warning: If you switch tabs, minimize the app, or if another face is detected, your exam will be Auto-Terminated.
- Do not use headphones or Bluetooth devices.

## 3. ANTI-CHEATING MECHANISM (AI PROCTORING)

**EXAM MONITORED BY AI**

**SWITCHING TABS /  
MINIMIZING APP**

**ANOTHER FACE  
DETECTED**

**NO HEADPHONES /  
BLUETOOTH**

**AUTO-TERMINATED UPON VIOLATION**

# GUIDELINES FOR HOME-BASED EXAM

## Internet Connectivity

- Ensure you have at least 1.5GB data pack active on the exam day.

### 4. INTERNET CONNECTIVITY

**ENSURE MINIMUM  
1.5GB DATA PACK**

**ACTIVE ON EXAM DAY**

# SYLLABUS

## **Bsc Nursing:**

### **Physics:**

Physics and measurement, Rotational motion, Thermodynamics, Kinematics, Work, energy and power, Properties of solids and liquids, Gravitation, Laws of motion, Oscillations and waves, Electronic devices, Kinetic theory of gases, Current electricity, Communication systems, Electromagnetic induction and alternating currents, Magnetic effects of current and magnetism, Optics, Electromagnetic waves, Atoms and nuclei, Electrostatics, Dual nature of matter and radiation

### **Biology:**

Diversity in Living World, Structural Organization in Animals and Plants, Cell Structure and Function, Plant Physiology, Human Physiology, Reproduction, Genetics and Evolution, Biology and Human Welfare, Biotechnology and Its Applications, Ecology and Environment

# SYLLABUS

## Chemistry:

### **PHYSICAL CHEMISTRY**

Some basic concepts in chemistry, States of matter, Atomic structure, Chemical bonding, and molecular structure, Chemical thermodynamics, Solutions, Equilibrium, Redox reactions and electrochemistry, Chemical kinetics, Surface chemistry,

### **ORGANIC CHEMISTRY**

Purification and, characterisation of organic, compounds, Hydrocarbons, Chemistry in everyday life, Principles related to practical chemistry, Organic compounds containing halogens, Organic compounds containing oxygen, Organic compounds containing, nitrogen, Polymers, Some basic principles of organic chemistry, Biomolecules

### **INORGANIC CHEMISTRY**

Classification of elements and periodicity in properties, Hydrogen, Block elements (alkali and alkaline earth metals), P Block elements group 13 to group 18, elements d- and f – block elements, Co-ordination compounds, Environmental chemistry  
General principles and processes of isolation of metals

# SYLLABUS

## B.Pharmacy ( PCB)

### Physics:

Physics and measurement, Rotational motion

Thermodynamics, Kinematics, Work, energy and power, Properties of solids and liquids , Gravitation, Laws of motion, Oscillations and waves, Electronic devices, Kinetic theory of gases, Current electricity, Communication systems, Electromagnetic induction and alternating, currents, Magnetic effects of current and magnetism, Optics, Electromagnetic waves, Atoms and nuclei, Electrostatics, Dual nature of matter and radiation

### Biology:

Diversity in Living World, Structural Organization in Animals and Plants, Cell Structure and Function, Plant Physiology, Human Physiology, Reproduction, Genetics and Evolution, Biology and Human Welfare, Biotechnology and Its Applications, Ecology and Environment

# SYLLABUS

## Chemistry:

### **PHYSICAL CHEMISTRY**

Some basic concepts in chemistry, States of matter, Atomic structure, Chemical bonding, and molecular structure, Chemical thermodynamics, Solutions, Equilibrium, Redox reactions and electrochemistry, Chemical kinetics, Surface chemistry,

### **ORGANIC CHEMISTRY**

Purification and, characterisation of organic, compounds, Hydrocarbons, Chemistry in everyday life, Principles related to practical chemistry, Organic compounds containing halogens, Organic compounds containing oxygen, Organic compounds containing, nitrogen, Polymers, Some basic principles of organic chemistry, Biomolecules

### **INORGANIC CHEMISTRY**

Classification of elements and periodicity in properties, Hydrogen, Block elements (alkali and alkaline earth metals), P Block elements group 13 to group 18, elements d- and f – block elements, Co-ordination compounds, Environmental chemistry  
General principles and processes of isolation of metals

# SYLLABUS

## B.Pharmacy ( PCM)

### Physics:

Physics and measurement, Rotational motion  
Thermodynamics, Kinematics, Work, energy and power,  
Properties of solids and liquids , Gravitation, Laws of motion,  
Oscillations and waves, Electronic devices, Kinetic theory of  
gases, Current electricity, Communication systems,  
Electromagnetic induction and alternating, currents, Magnetic  
effects of current and magnetism, Optics, Electromagnetic  
waves, Atoms and nuclei, Electrostatics, Dual nature of matter  
and radiation

### Math

Complex numbers and quadratic equations, Matrices and  
determinants, Sets, relations and functions, Mathematical  
induction, Permutations and combinations, Mathematical  
reasoning, Limit, continuity and differentiability, Integral  
calculus, Three-dimensional geometry, Differential equations,  
Binomial theorem and its simple applications, Sequence and  
Series, Vector algebra, Statistics and probability, Trigonometry,  
Co-ordinate geometry

# SYLLABUS

## Chemistry:

### **PHYSICAL CHEMISTRY**

Some basic concepts in chemistry, States of matter, Atomic structure, Chemical bonding, and molecular structure, Chemical thermodynamics, Solutions, Equilibrium, Redox reactions and electrochemistry, Chemical kinetics, Surface chemistry,

### **ORGANIC CHEMISTRY**

Purification and, characterisation of organic, compounds, Hydrocarbons, Chemistry in everyday life, Principles related to practical chemistry, Organic compounds containing halogens, Organic compounds containing oxygen, Organic compounds containing, nitrogen, Polymers, Some basic principles of organic chemistry, Biomolecules

### **INORGANIC CHEMISTRY**

Classification of elements and periodicity in properties, Hydrogen, Block elements (alkali and alkaline earth metals), P Block elements group 13 to group 18, elements d- and f – block elements, Co-ordination compounds, Environmental chemistry  
General principles and processes of isolation of metals

# SYLLABUS

## **BBA (Bachelor of Business Administration)**

### **Mathematics or Quantitative Section**

Geometry, HCF & LCM, Averages, Trigonometry, Algebra Partnership (Accounts), Mensuration, Profit & Loss, Time-Speed-Distance, Ratios and Proportion In equations, Quadratic and linear equations, Surds and Indices, Number system Geometric Progression Inequalities, Work and time Percentages Logarithms

### **English or Verbal Section**

Fill in the blanks, Verbal Reasoning, Sentence completion, Grammar, Syllogisms, Jumbled paragraphs, Para Completion and inference, Contextual usage, Foreign language words used in English, Reading Comprehension, Analogies, Sentence correction, Verbal Logic, Different usage of same word, Idioms, Parajumbles, Antonyms, One word substitution

# SYLLABUS

## **Analytical Reasoning Section**

Blood Relations, Series, Proposition, Direction Sense, Coding-Decoding, Assumptions, Puzzles, Clocks and Calendars, Statements, Data Arrangement, Family Tree, Binary Logic, Seating Arrangement, Venn Diagram, Sets, Data Structures, Syllogism

## **BCA(Bachelor of Computer Applications)**

### **Mathematics or Quantitative Section**

Geometry, HCF & LCM, Averages, Trigonometry, Algebra, Partnership (Accounts), Mensuration, Profit & Loss, Time-Speed-Distance, Ratios and Proportion, In-equations, Quadratic and linear equations, Surds and Indices, Number System, Geometric Progression, Inequalities, Work and time, Percentages, Logarithms

# SYLLABUS

## English or Verbal Section

Fill in the blanks, Verbal Reasoning, Sentence completion, Grammar, Syllogisms, Jumbled paragraphs, Para Completion and inference, Contextual usage, Foreign language words used in English, Reading Comprehension, Analogies, Sentence correction, Verbal Logic, Different usage of same word, Idioms, Parajumbles, Antonyms, One word substitution

## Analytical Reasoning Section

Blood Relations, Series, Proposition, Direction Sense, Coding-Decoding, Assumptions, Puzzles, Clocks and Calendars, Statements, Data Arrangement, Family Tree, Binary Logic, Seating Arrangement, Venn Diagram, Sets, Data Structures, Syllogism

# SCHOLARSHIP PROCESS

## Tuition Fee Waiver Scheme

EJCET offers scholarships purely based on the All India Rank (AIR) secured in the exam.

### SCHOLARSHIP & ADMISSION DETAILS

#### SCHOLARSHIP SCHEME

RANK RANGE	SCHOLARSHIP %	REMARKS	
AIR 001 - 010	<b>100% Waiver</b>	✓ Full Tuition Fee Free	
AIR 011 - 050	<b>50% Waiver</b>	◐ Half Tuition Fee Free	
AIR 051 - 100	<b>30% Waiver</b>	— Flat 30% Off	
AIR 101 - 500	<b>Up to 20%</b>	★ Merit Concession	

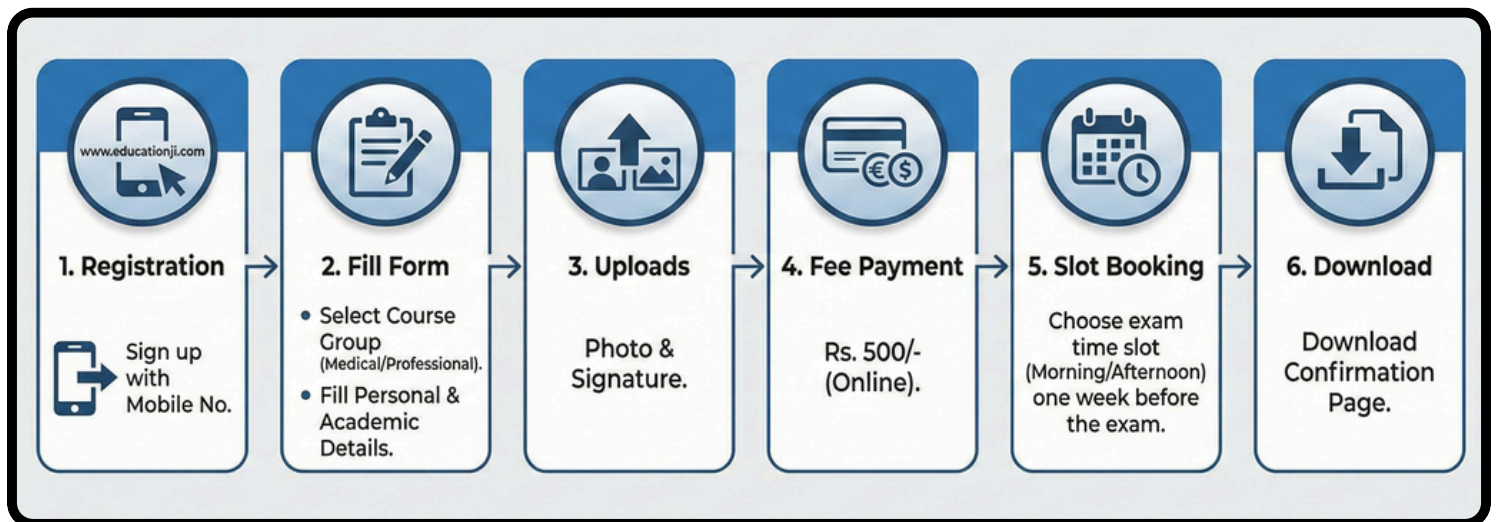

#### ADMISSION PATHWAY

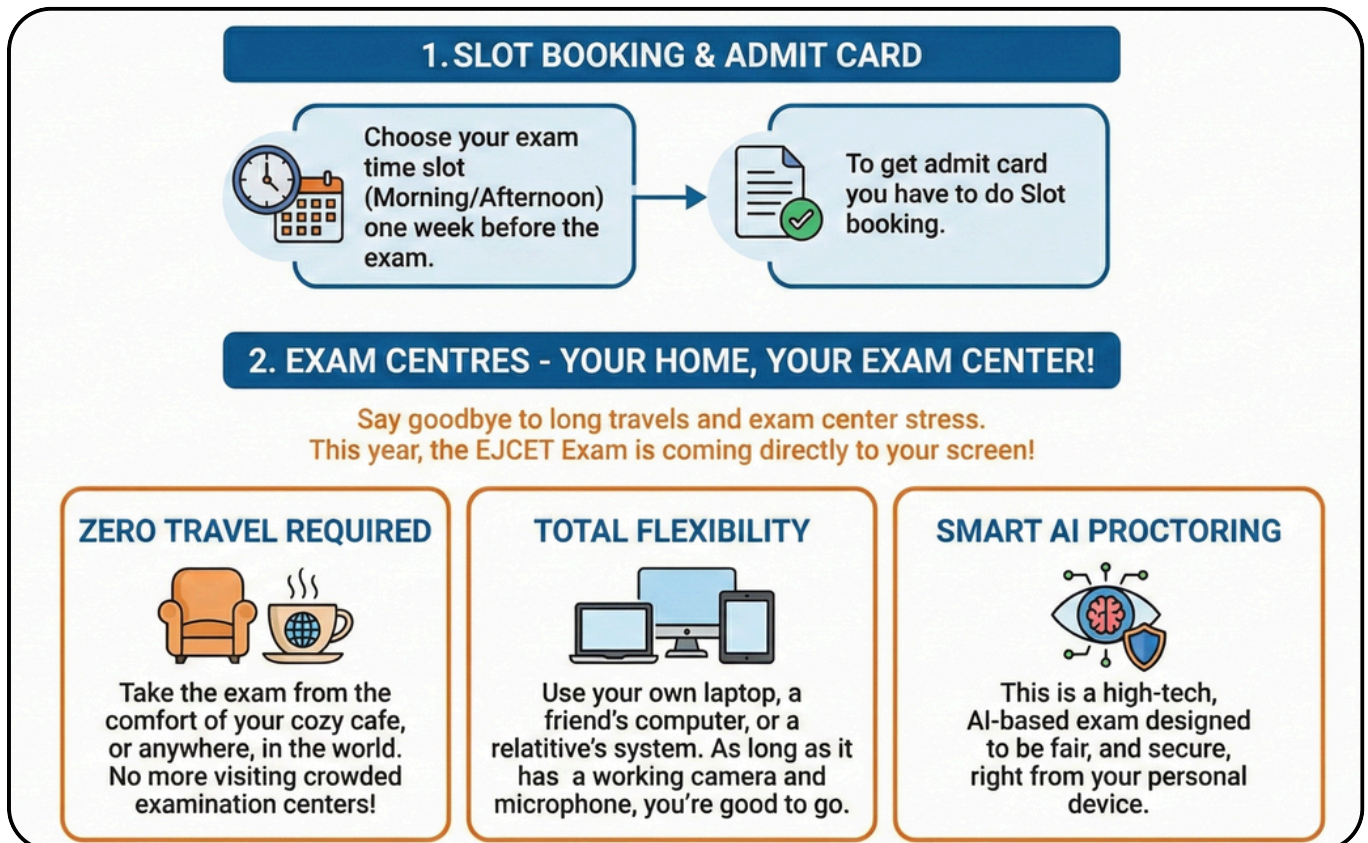

# APPLICATION PROCESS

1. **Registration:** Sign up on [www.educationji.com](http://www.educationji.com) with Mobile No.
2. **Fill Form:** Select Course Group (Medical/Professional).
3. Fill Personal & Academic Details.
4. **Uploads:** Photo & Signature.
5. **Fee Payment:** Rs. 500/- (Online).
6. **Slot Booking:** Choose your exam time slot (Morning/Afternoon) one week before the exam.

# ADMIT CARD AND EXAM CENTRES

- 1. Slot Booking:** Choose your exam time slot (Morning/Afternoon) one week before the exam. To get admit card you have to do Slot booking.
- 2. Exam Centres – EJCET 2025: Your Home, Your Exam Center!**
  - Say goodbye to long travels and exam center stress. This year, the EJCET Exam is coming directly to your screen!

# COUNSELLING PROCEDURE

## STEP 1

### Check Result & Download Rank Card.

Access your exam results online and save a digital copy of your official Rank Card for future reference.

## STEP 2

### Register for Online Counselling.

Sign up for the online counselling portal using your credentials to participate in the seat allocation process.

## STEP 3

### Select Colleges from the Participating List.

Browse the list of participating institutes, research your options, and submit your preferred college choices in order of priority.

## STEP 4

### Download Provisional Seat Allotment Letter.

Once a seat is allocated, download your provisional seat allotment letter, which confirms your admission offer.

## STEP 5

### Report to the allotted college for document verification and admission.

Visit the allotted college within the specified timeframe with all required original documents for verification and to complete admission formalities.

# DISCLAIMER & LEGAL

- **Reservation Policy:** As per Govt/College norms (if applicable).
- **Jurisdiction:** All disputes are subject to Patna Jurisdiction only.
- **Rights:** Education Ji reserves the right to change exam centers or dates in case of unavoidable circumstances.
